

# Howto...

## Find an Article

revised 7/04

**UTA Libraries**

<http://library.uta.edu/Main/howTo.uta>

**Off-Campus Access** ---UTA students, staff and faculty have remote access to UTA Libraries Databases. For instructions, see <http://library.uta.edu/Main/offCampusAccess.uta>

# Articles?

When looking for an article, you will usually be looking for a journal, magazine, or newspaper article.

Journal Article	Magazine Article	Newspaper Article
 <p>Articles that are written about current research in a field and written by field experts.</p>	 <p>Articles that give information about current topics of interest.</p>	 <p>Articles that tell you what is happening internationally, nationally or locally.</p>

## Finding articles

To find articles, use a UTA Libraries Database that searches journal, magazine, and/or newspaper articles.

Go to <http://library.uta.edu/Main/home.uta>

2. [The Great Ape Project and Disability Rights: Ominous Undercurrents of Eugenics in Action](#); By: Groce, Nora Ellen; Marks, Jonathan., American Anthropologist, Dec2000, Vol. 102 Issue 4, p818, 5p; Argues that the Great Ape Project movement whose goal is to extend **animal rights** to nonhuman primates, should not base their analogies

- **Click on the title** to see a description of the item. (In this database, you may find journal articles, magazine articles, newspaper articles, or book reviews).
- **Click on HTML Full Text** to see the entire document typed out.
- **Click on PDF Full Text** to see the entire document as it appears in print form.
- **Click on Linked Full Text** to be linked to the article in another database.

**NOTE:** If there is **no Full Text icon or link** available for an article, you will not be able to retrieve the entire article from this database. If you still would like to find this article, follow the steps below....

1. **Look at the database record** for the article and find the **source information** (title of magazine, newspaper, or journal and the volume, issue, date).
2. If you are looking for a journal or magazine article, look up the title of the **magazine or journal** in the UTA Libraries' Catalog (<http://pulse.uta.edu/>)
3. If you are looking for a newspaper article, try finding the **newspaper article** in a full-text newspaper database like Lexis Nexis Academic at <http://library.uta.edu/Main/broadBrowse.uta?subj=newsdb>
4. Journal or Magazine not listed in the UTA Libraries' Catalog? Check the Electronic Magazines and Journal Page at <http://library.uta.edu/Main/findArticlesNews.uta>
5. Still not finding that journal or magazine? For UTA students, staff, & faculty, try getting the article from another library by requesting it through a free service called Interlibrary Loan <https://illiad.uta.edu/illiad/>
