Dear Board Member:

The quarterly meeting of the Dallas Society for Crippled Children will be held at the Cerebral Palsy Treatment Center on February 7, 1968, at 4:00 P.M.

Mrs. Abernathy, the Easter Seal Chairman, will have the Easter Seal materials for you to see and talk to you about the campaign.

There will be some other very important matters to be reported on and discussed at this meeting, and your presence is urgently requested. New members of the Board of Directors are especially requested to attend this, the first meeting since their election, so that they might be presented to and meet the other members of the Board.

Please call Mrs. Witt at LA1-0423 and tell her you will be there.

Yours sincerely,
