Introduction

The Libraries of the University of Texas at Arlington are pleased to host the ninth annual UTA Celebration of Faculty Creative Works. This event showcases the art, books, juried exhibits, music, media, patents, and journal contributions of UTA faculty in 2016. The Libraries initiated this event to shine a spotlight on the impressive depth and breadth of scholarship and creativity produced by UTA faculty. These scholars are achieving unprecedented excellence in research, teaching, and community engagement.

Each year the number of scholars we honor grows. This year we have a 25% increase in faculty scholarly citations and have grown to represent over 400 faculty. We congratulate the colleagues represented in these pages and on the Faculty Creative Works website at LIBRARY.UTA.EDU/FCW. Their work epitomizes the high standards of excellence and the growth of research activity at UTA.
