

CITING SOURCES IN MLA, 7TH ED.

A GUIDE FOR STUDENTS

Consult the *MLA Handbook for Writers of Research Papers*, 7th edition, for additional information about MLA citation style. For a copy of the manual, ask at the reference desk.

For helpful hints and more examples of MLA citation style, see <http://owl.english.purdue.edu/owl/resource/747/01/>.

CITING SOURCES IN MLA STYLE

A GUIDE FOR STUDENTS

GIVING CREDIT WHERE IT'S DUE

Using outside sources like books or articles in your assignment makes your arguments more credible. You demonstrate that your arguments are not just your opinion, but are based on evidence.

When you use other people's ideas in your work, you must observe the rules of academic integrity and cite your sources. Citations prevent any confusion over what is original to you and what you are borrowing. Citation styles like APA (American Psychological Association) or MLA (Modern Language Association) supply a standard method for identifying sources.

Use the examples in this brochure to help you cite your sources accurately. If you need more guidance, contact your instructor, the UT Arlington Writing Center, or a librarian.

DOCUMENTING SOURCES

CITING REFERENCES IN THE BODY

Cite documents by putting the author's last name and the page number in parentheses. Do not separate the information with a comma.

Examples:

Single Author

(Hallin 5)

Two or Three Authors

(Smith and Anderson 15) or (Rabkin, Greenberg, and Olander 7)

Four or More Authors

(Lauter et al. 2601-09)

Author's Name in Sentence

Tannen has argued this point (178-85)...

Indirect Source

Simon argues that high schools act as "social service centers and they don't do that well" (qtd. in Weisman 259).

Source with No Page Numbers

Armadillos are native to Central and South America (Holley).

Source with No Author

Start with the first word of the title (exclude A, An, and The).

International espionage was as prevalent as ever in the 1990s ("Decade" 135).

WORKS CITED LIST AT THE END OF THE PAPER

Include all information necessary for someone else to find the same resource. Only include materials that have been cited in the text of the paper. Organize the references alphabetically by the first author's last name, format with a hanging indent, and double space the entire works cited page.

Example:

Cascardi, Anthony J. *Ideologies in the Spanish Golden Age*. University Park: Pennsylvania State UP, 1997. *Penn State Romance Studies*. Web. 12 Mar. 2007.

Tyre, Peg. "Standardized Tests in College?" *Newsweek*. Newsweek, 16 Nov. 2007. Web. 15 May 2008.
