Dear Jim:

Please accept our sincere appreciation for your participation, and that of the wheelchair basketball team, during the recent Goodwill Games site visit. The great enthusiasm and spirit of our community was clearly evident to the Site Selection Committee members, as they remarked both in conversation and in media interviews.

Committee members specifically noted their surprise and delight with the extent of sports expertise that exists in our area. Sandy Knapp remarked that in all her years building Indianapolis' program, she never hosted nor participated in a site visit that had so clearly demonstrated the sports, business and civic qualities of a community. It took each one of us-- all pulling together--to make that happen.

We are confident that the Dallas/Fort Worth Metroplex will advance in the competition for the 1998 Goodwill Games and we hope that we can count on your support for the process.

Thank you again for your assistance in making the D/FW Metroplex bid effort a success.

Most Sincerely,

Tom Landry  
Chairman

President
