Dear Mr. Dilley:

We are delighted to welcome you as a member of the Board of Directors of the Dallas Society for Crippled Children because your active association with our Society will redound to the benefit of hundreds of crippled children who are enrolled in our Speech and Treatment Center.

Enclosed is a copy of Dr. Philip N. Hood's Annual Report to the Society, which we believe will be of interest to you.

Also enclosed is a list of Directors and terms of office to which they are elected.

We welcome suggestions from you and hope you will feel free to offer constructive criticism concerning the activities of your Society.

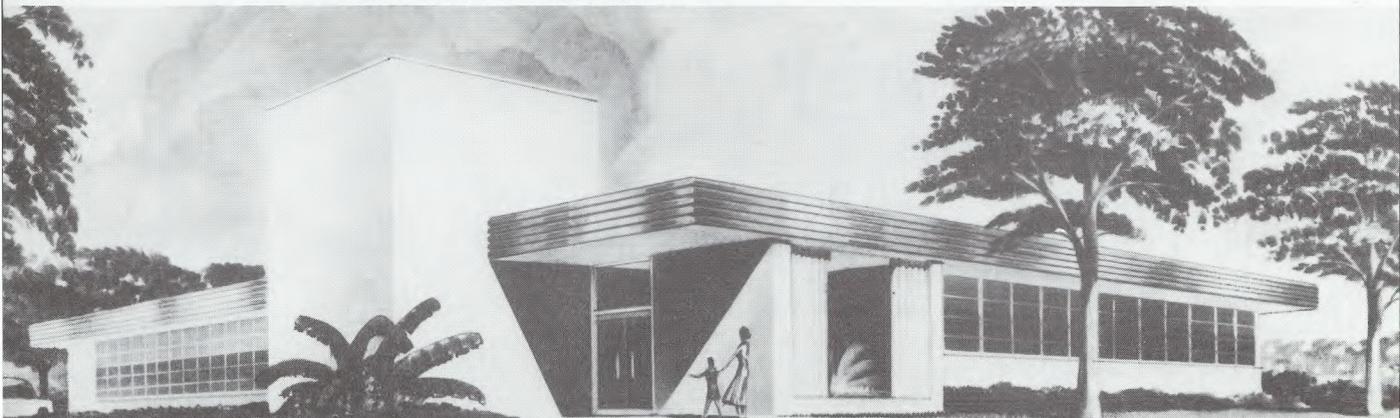

Kindest regards.

Sincerely yours,
