John
Dear Friend of HRA,

I am writing to let you know that I am leaving the Metroplex to relocate to the Rockport/Corpus Christi area. This move is to pursue a matter of the heart.

My resignation from H.R.A. becomes operational May 29, 1997, when Dave Watson takes over as Interim Director.

The Board of Directors has formulated a search process. The announcement of the position is enclosed. If you are aware of qualified candidates, please encourage them to request an application. All applications will be safeguarded.

As you may be aware, Handicapped Resource Association is structurally and financially very strong. Automation, funding, service delivery, staffing and reputation are exemplary.

I am very proud to have been associated with the agency, its consumers and friends. Thank you for being a part of H.R.A.

Please continue to support independence for people with disabilities.

All the best,

Rosalie
