Re: Shoot 'N' Hoops '98
Wheelchair basketball

Dear Jim:

We have scheduled Shoot 'N' Hoops '98 for Saturday, May 2, 1998. As I have previously informed you, we are especially interested in having a wheelchair bracket this year. T.K. and Enoch told me this past spring that they know of a number of other wheelchair players and teams in this area, and that they believed that there would be sufficient interest to fill up a bracket. Could you give me a call with the names of any players who might be interested?

We will of course send you an application when it is printed early next year. Thanks again for the outstanding demonstration this past April.

Very truly yours,

T. Ray Guy
