Dear Coach Hayes and the Movin' Mavs,

On behalf of HEALTHSOUTH North Louisiana Rehabilitation Hospital and Louisiana Tech University, I would like to thank you and your athletes for participating in our celebration of National Rehabilitation Week. Everyone spoke highly of you and the "Mavs". I truly admire not only the abilities of your athletes but their positive outlook on life. The wheelchair exhibition was an excellent community awareness activity and the "Mavs" exemplify individuals who have overcome incredible odds yet continue to live out their dreams.

Please send us a team picture that we can put up at our hospital and a schedule so maybe we can come watch the Movin' Mavs play a "real" game. Good luck on your upcoming season and keep in touch. We would love to have you back again next year.

Sincerely,

Sharon Bradberry
Therapeutic Recreation Coordinator
