Dear Coach Hayes,

Now that our season is over, I want to take a minute to let you know how much the team members, coaches and I appreciated your support through our first season together at UTA. You serving as an "Honorary Coach" was an encouragement to each of us as well as an opportunity for us to get to know one another. I trust that you had an enjoyable experience and will share your enthusiasm with others in the UTA family.

We are making plans to host the "Honorary Coach" program again next season. Bill Ross has once again agreed to serve as coordinator. Our goal is to create higher interest in the Women's Basketball Program by involving additional UTA people. We would like to recognize different individuals as "Honorary Coaches" and we are requesting your help in identifying suitable prospects. Since you have experienced the activities of the evening, perhaps you would agree to recruit one of your UTA colleagues for the coming season. We welcome any suggestions to improve the program. Dr. Ross will be in touch with you prior to the coming season for your recommendation(s).

We are excited about the future of UTA Women's Basketball. We are recruiting hard and will make every effort to have a quality program to represent UTA. The Athletic Department is eager to be the best possible ambassadors for UTA. If we may serve you, please feel free to call us.

Respectfully,

Donna Capps
Head Women's Basketball Coach
