Dear Ryan:

I recently received the enclosed response from the White House concerning my request to the President to host a ceremony for UTA's champs, the Movin' Mavs. I would have liked a more favorable reply and regret that the President will be unable to meet with the team. However, we are all very proud of the team and know how much inspiration these young people give to others.

As always, if I can be of assistance to you in any other matter, please feel free to call on me.

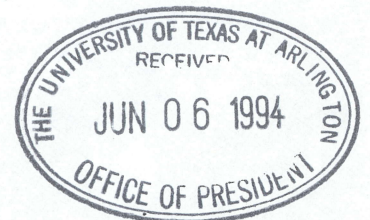

Sincerely,

MARTIN FROST

The Honorable Martin Frost  
United States House of Representatives  
2459 Rayburn Building  
Washington, D.C. 20515

Dear Representative Frost:

Thank you for your kind letter to President Clinton requesting a White House ceremony for the University of Texas at Arlington Wheelchair Basketball champions. The President has asked me to convey his appreciation for your offer.

Unfortunately, the tremendous demands on the President as he works to move our country forward will not provide him the opportunity to meet with this impressive team. The President regrets that he will be unable to invite them to the White House this year.

On behalf of the President, thank you again for sharing your words of support. Please do not hesitate to contact my office if we can provide you with any further assistance.

Sincerely,

Ricki L. Seidman  
Assistant to the President  
Director of Scheduling and Advance
