Dr. Frank Harrison
President
University of Texas at Arlington
Arlington, Texas 76010

Dear Dr. Harrison:

While the newspapers give credit to a few, those of us that worked on the project to secure the State's MH-MR school for Fort Worth know that the effort would not have been successful without the support and involvement of a great many people. You certainly are one of those people, and I very much appreciate the fact that you took the time to be involved and lent your active support to the project.

Sincerely,

Clarke B. Gillespie
