July 2, 1958.

Mr. R.L. Thomas,
American Bank and Trust Company,
415 South Zangs Boulevard,
Dallas, Texas.

Dear Mr. Thomas;

Starting July 4TH, I will be out of my office untill the twenty first of the month.
That is only two days off. With the amount of work that has to be done in that time,
it will be impossible for me to make the proper inquiries to find out just how the
various Unions donated time to build the Ceberal Palsy Clinic. I will give you all
of the available information to be gotten in such a short time.

The following Local Unions donated free labor to build the Clinic. Some of them
reimbussed the contractor for the money spent on their particular Craft, and others
had teir members go to the job and work free. Most of the Business Representatives
worked Saturdays and Sundays on the job, alongside of the members.

Mr. Clyde W. Wimberley, Business Manager for the Roofers Union, was donating time
to help install the roofing on the building, and fell off the roof backwards. Mr.
Wimberley was badly injured and died a few weeks later.

So far, I have been unable to find the whereabout of Mr. Wimberley's wife or
children. Further information may be gotten later on. If you wish to have it, please feel
free to call on me for it. I did find out that his widow married again, but have
not found out her name, or where she lives.

These Local Unions Furnished free labor to build the clinic;

Asbestos Workers #21, Bricklayers #5, Carpenters #198, Cement Masons #549, Common
Laborers #518, Electricians #59, Painters and Glaziers #53, Hoisting Engineers #714,
Iron Workers # 481,Lathers #140, Marble and Tile Setters #29, Plasterers #61, Plumbers
and Steamfitters #100, Roofers #123, and Sheet Metal Workers #25.

I will be back in my office on July 21st. I will be more than glad to get any other
information that you desire after then.

Best Wishes,

Respectfully Yours,

L.E. Dilley.
