Mr. L. E. Dilley, Business Representative
Dallas Building Trades Council AFL CIO

Dear Mr. Dilley:

As you know, we are paying for the erection of our addition to the Center, and you indicated that perhaps some of your trade unions might make a contribution.

If you feel this expedient, and are willing to do it, you might "pass the hat" and anything that you do will be very greatly appreciated.

Kindest regards,

R. L. Thomas
