Dear Mr. Dilley:

As the 1960 Easter Seal Campaign draws to a close, I wanted to thank you on behalf of the Board of Directors and all those connected with the Dallas Society for Crippled Children and its Cerebral Palsy Treatment Center for your valuable contribution to the success of our campaign. In writing letters to the many members of your profession you achieved a personal solicitation we would not have been able to do otherwise.

My own job as Easter Seal Chairman has been a real pleasure due, in large part, to the interested and enthusiastic participation of persons such as yourself.

Again, our grateful and sincere thanks for your invaluable support --

Sincerely yours,

*Mary Lynn Aldredge McEntire*
