Gentlemen:

Please express to all of the members of the Dallas Building and Construction Trades Council our sincere appreciation for their continued interest in and deep concern for the work that is being done at the Cerebral Palsy Treatment Center as evidenced by their generous gift of \$50.00 to the Dallas Society for Crippled Children.

We hope that each of you will know the same happiness and satisfaction that your gift will bring to the children under treatment at the Center.

Most sincerely,

Arthur A. Smith
President
