Dear Jim:

Congratulations to you and the UTA Movin'Mavs as you enter into yet another Final Four appearance as the #1 seed. Both Rosie and I will be cheering you on in spirit as you compete in these games during the month of March.

I also wanted to take this opportunity to let you know that we will be unable to attend the final home game on February 25th due to Senate business scheduled in Austin. However, please know that our hearts will be with you and the team as you continue your path to victory. As far as the Governor is concerned, you will need to check with the person who handles her schedule, Karen Abernathy. She can be reached at 512-463-2000 but I must be honest in letting you know her calendar usually is scheduled months in advance.

Again, Rosie and I regret that we will be unable to cheer you and the team onto victory this time but we look forward to seeing you at yet another game. Perhaps after you win the gold!!!

Sincerely,

A handwritten signature in blue ink that reads "Mike".
