My dear Friend:

Thanks very much for sending me copy of the June 17th issue of "The Dallas Craftsman" which I very greatly appreciated. Also, I acknowledge receipt of the mat of which I am very fond. You will never know how greatly I appreciate the favorable remarks you made concerning me at the time you second the motion that I be elected president emeritus. I wish I deserved the nice things you said and, of course, had you been fair to yourself you would have included Mr. L. E. Dilley and all of the other members of the Labor Board that it was only through our combined efforts we were able to build a monument to benefit crippled children.

I consider you and your associates among my dearest friends and I shall always be grateful for your help in time of need.

Yours very truly,

R. L. Thomas
