Dear Mr. Carpenter:

The Dallas Charity Horse Show was a success again this year because of the support given by so many individuals and firms.

The Pilot Club of Dallas, an organization composed of business women, were sponsors of the show this year. We want to thank you for your part in making the show a success. Our project - The Dallas Pilot Institute for the Deaf - is the recipient of the proceeds from the show, and with these additional funds we will be enabled to broaden the scope of the educational work of these little deafened children.

Yours very truly,
Lola Lee Engelhart
