STUDENT CONGRESS  
RESOLUTION NUMBER: 72-61

SUBJECT: Aid for Handicapped Students

AUTHOR: Richard Krause

SPONSOR: Richard Krause

DATE SUBMITTED: November 10, 1972

DATE CONSIDERED: November 14, 1972

REFERRED TO: Student Affairs Committee and Executive Committee

ACTION TAKEN: PASSED DEC 5 1972

REMARKS: Vote: 21-0-1

Whereas, at the present time facilities for the handicapped are shamefully few, and

Whereas, it is inexcusable for these students to be ignored as they have been, and

Whereas, a longer waiting period for these facilities compounds the problems of the handicapped

Therefore, be it resolved that:

1. Student Congress pressure the administration to take action upon this matter, and
2. The congress should make its own monetary contribution to this effort, and
3. Student Congress should encourage and prompt writers such as Laura Allen of the Shorthorn to keep this issue before the student community.
