

December 6, 1972

Memorandum To: Dr. Wendell H. Nedderman
From: Dean of Student Life
Subject: Student Congress Resolution 72-61
Additional Aid for Handicapped Students

At the Student Congress meeting of December 6, 1972, Resolution 72-61 was passed asking for some positive action by the administration concerning additional aid for handicapped students.

Any response concerning what has been done in the recent past and the possibilities for additional facilities for handicapped students would answer this request.
