UT SYSTEM REGENTS DISCUSS UTA PROJECTS

The buildings and grounds committee of the U.T. System Board of Regents will discuss the partial depression of Cooper Street project and the appointment of project engineer for preliminary plans and cost estimate at their Friday, June 13 meeting. They will also consider final plans for the renovation of E.H. Hereford University Center.

The committee will meet in Ashbel Smith Hall on the U.T. Austin campus.

For information, call U.T. System news director Joe Roddy at (512) 821-4877.
