MARY JANE BODE • STATE REPRESENTATIVE • DISTRICT 37-B

October 27

Dear Bob:

I am pleased that some attention is being given to UT/Walington needs.

But, why don't they do something about the absolutely frightening traffic hazards particularly

for the mobility impaired,
with a major traffic
artery dissecting the campus?

And, why wouldn't
the U.T. Ad. President
let employees testify
when my Select Committee
on State Employee
Productivity was there?

Best wishes,
Monsieur Muzgutter
Mary Jane^(sp?)
