Dr. Charles A. LeMaistre, Chancellor  
The University of Texas System  
601 Colorado Street  
Austin, Texas

Dear Dr. LeMaistre:

In response to your request of a few months ago, I am sending you copies of our brochure or handbook for handicapped students which has just been published. This brochure will be distributed to incoming handicapped students each year. You will notice that it has been prepared for handicapped students by handicapped students. In addition, a special committee has been appointed to advise all incoming handicapped students and to help in the registration process. This means that handicapped students will not be required to go through the usual registration lines but, rather, that their affairs will be taken care of in a convenient manner on the side.

In addition to the above, we have during the past few months made a number of minor physical changes on campus at the request of our Handicapped Student Association.

Very truly yours,

W. H. Nedderman  
Acting President
