MEMORANDUM TP: Dean Kris Kirkpatrick, Chairman
Mr. Jim Hayes
Mr. Carl Pendergrass
Mr. Zack Prince
Mr. Charlie Skaggs
Mr. Barney Stanley
Mr. Howard Widmann

SUBJECT: Appointment of Committee for Handicapped Students

Recently it has become apparent that the appointment of a committee to work with mobility impaired students is needed. I am, therefore, asking each of you to serve on this committee with Dean Kirkpatrick serving as chairman. In addition, we are asking Mr. *Don* Riddles of the Texas Vocational Rehabilitation Commission and Mr. Mike Evans of the Texas Commission for the Blind to serve as resource persons to the committee. This committee will be responsible for providing mobility impaired students with both a general orientation to the campus and to arrange for their registration. Through this means it is hoped that the transition to the University will more readily take place.

W. H. Nedderman
Acting President
