Chancellor

SUBJECT: State Employment of Handicapped

At the request of Governor Smith and Mr. Jess Irwin, Executive Director of the Texas Rehabilitation Commission, I am pledging the support and cooperation of The University of Texas System in a renewed effort to employ the handicapped, and thus to effectively utilize this remarkable source of manpower. I am enclosing two brochures which outline the program being emphasized in State Government.

Within a short time you will be contacted by Mrs. Dora Huston or Mr. Andrew Alexander of the Texas Rehabilitation Commission for an appointment to discuss this program and to solicit your interest and support. In addition you will be asked to appoint a coordinator with whom the State office and the local counselors in your area can interact.

I sincerely hope that you will lend your full support to this most worthwhile program.
