

THE METHODIST CHURCH

FRANK DENT, Minister

October 7, 1941.

Miss Shirley Sue Smith
Atlanta, Texas.

Dear Shirley:

This letter comes to say you are doing fine at school. We noticed in the collection this Sunday your little envelope, as usual. But instead of mother or dad having written your name on it, you had done it your self. Congratulations! Your church will always take an interest in your life all the way through your school life. You are a fine little girl. You will grow up to be a leader in the life of your church just as your mother and dad and grandad and grandmother are today.

Again, congratulation upon your learning to write.

Sincerely yours,

Frank
