

Feb 18

Dear Mr. Le Blanc,

I certainly appreciate your prompt
response to my inquiring

I received your February 14 letter
with ^{copies} the ~~salary schedule~~ ^{copies} enclosed. I ap-
preciate your sending ^{copies} both the schedule
now being used ^{in T. Parish} and the schedule called for
in Act 5 of 1956.

Failed to say this

I would like very much to be interviewed by you
during the summer concerning a position beginning in
Sept. of 1958.

Did

Mr. Le Blanc, there is something about myself
which that I want you to know - something
I feel you certainly have the right to know.
As a child I was result of polio in my
early childhood, I am what ~~other~~ ^{is} called
physically handicapped. I see the term
"others" because of the fact that even though
I know that I am handicapped, I do not
feel that I am.

As far as physical appearance is concerned,
I am handicapped

My left arm is partially paralyzed and
I have a spine curvature ^{to the knees} as far as physical
appearance is concerned, I am handicapped,
~~But that~~ But I believe there is a great
difference in knowing ~~it~~ and feeling,
and I do not feel that I am handicapped.

My condition ^{has never prevented me from}
^{always tried never to let}
