Dear Mr. Hayes;

In recognition of your interest and support in Alpha Phi Omega, the fraternity would like to present you with this 'shingle,' signifying an active pursuit of three basic principles.

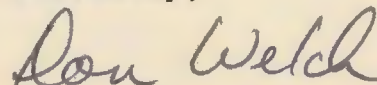

As a brother of Alpha Phi Omega, you join a fraternity of men and women dedicated to leadership, friendship, and service. We salute your own commitment to these principles and invite you to join our group as an advisor.

We feel that the knowledge and documented interest that you have shown in others is worthy of commendation. We would like you to channel some of this interest into our activities. The energy and insight of your input is seen as a valuable contribution.

We are not asking that you forsake other activities for ours, but we would like to invite you to share in our programs to serve others. The fraternity would also like to offer you its friendship and helping hand.

Thank you again for your interest, and welcome to APO.

Sincerely,

A handwritten signature in cursive script that reads "Don Welch". The signature is written in dark ink and is positioned to the right of the typed name.
