

Minutes of the President's Student Advisory Council
September 13, 1972

file

It was established that Dean Duke's secretary will act as recorder of the Advisory Council.

There was an open question and answer period with President Harrison. Those questions and the answers provided are given below:

✓ Q. There was a question by Gary Cochran concerning pre-registration for all students.

A. There would be a problem involved with counseling, adds and drops after registration, and logistics.

Q. Charley Skaggs brought up the Bookstore problem.

A. President Harrison said that when the new activities building is finished there will be increased space for the present Bookstore here. A suggestion was made that in the Bookstore there be different rooms for the different departments. Also, pre-registration would help here.

Q. Gary Cochran asked about the serving of beer at football games.

A. President Harrison said that the Regents think in terms of the UT System. There is also the fact that we play religious schools.

Q. There was a question concerning why one of the Mexican-American professors of the University was relieved of his position when there was another opening he could have filled.

✓ A. President Harrison said that he would check into the validity of the incident.

Q. A question was brought up concerning the salaries of women at UTA.

A. President Harrison commented that there is a committee, the Committee on the Status of Women, to check into differences along this line - differences in the salaries of two professors in the same school.

Q. Jim Hayes asked if anything had been done on the request of the handicapped students.

A. President Harrison replied that their requests were being implemented by the University at this time.

Discussion regarding dormitories at UTA. The idea of dormitories versus University apartments. There was also a question as to whether or not students should be allowed to paint their dormitory rooms.

The group discussed the feasibility of the sinking of Cooper Street. President Harrison mentioned several studies that were being done. There was a question of how it could be arranged with the Highway Department, and also the idea of where the priorities of the University should lie.

The next item was a discussion of the property that is stolen from the Library. It was agreed that Security was not the answer, although no other solution was found.

The last item discussed was student jobs on campus. The idea of Work Study versus non-Work Study.

At this time the meeting was adjourned.

Respectfully submitted
